

Good Afternoon CCS Family:

Our Seniors leave for San Diego for their **Senior Service Practicum** in less than three months. This is an exciting time for them. As in years past, **we are asking for donations to bring with us on the trip**. Each of the Seniors and chaperones can bring an extra suitcase filled with donation items. That is 68 suitcases full of items that we can bless others with. **We will be collecting these items at carpool on Friday, October 4** (the Friday before Fall Break). Now is a great time to start gathering items in preparation for our packing day. The following is a list of items needed. Please limit the items you donate to the ones we have requested.

- New or gently used back packs
- School supplies
- New or gently used clothes
- Small new toys or games
- Hygiene items such as brushes, combs, toothbrushes, hair bows, etc... (**No liquids please**)

There is also a need for items that are too big to transport such as diapers, wipes, baby formula, etc.

- **Gift cards to Wal Mart would be helpful**, so that we can purchase these items once we get to San Diego.
- We partner with several local pastors, and we would love to bless them with **gift cards to chain restaurants (Applebee's, Red Robin, On the Border, etc.)**.

If you plan to donate any gift cards, please give them to Mrs. Walsh between now and **November 15**.

Thank you for your willingness to support our Senior Service Practicum!
